

CargoLink

Are you a freight forwarder looking for international partners?

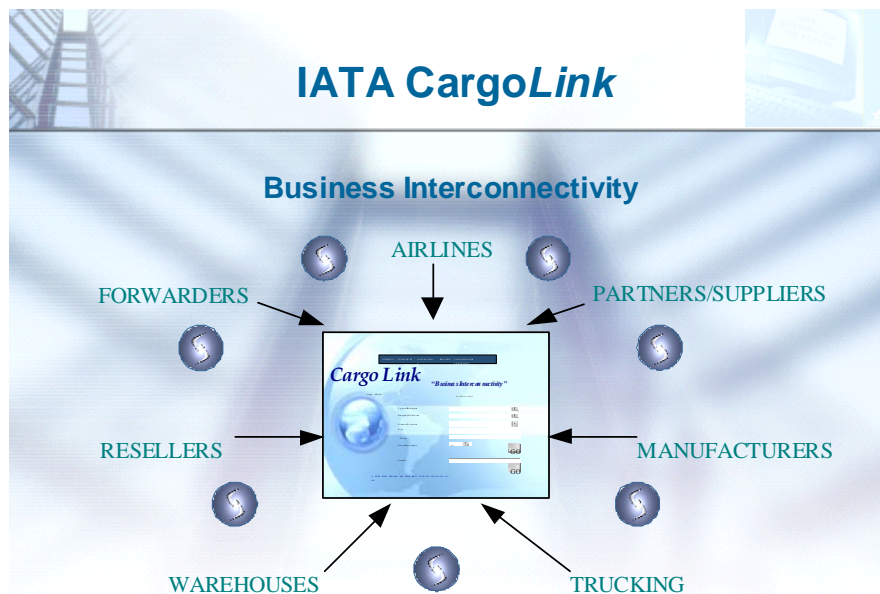

Are you a shipper looking for a freight forwarder that meets your special requirements?

Are you looking for a technology provider or authorised industry training school?

If you answered YES, then IATA has the solution. CargoLink can help you find your ideal business partner.

CargoLink is the global Air Cargo industry directory and information repository for all IATA Accredited Agents, Airlines, cargo suppliers and GSSA's. CargoLink provides a "Basic" and a "Premium" listing option, which allows subscribers to enter additional information such as their corporate logo and details, service specialties as well as enabling links to their corporate website.

Using flexible search criteria, CargoLink provides you or your potential business partners with the information required to enhance your business opportunities.

How do you subscribe?

All IATA Members, Freight Forwarders and Registered GSSAs will automatically receive a free Basic listing in the CargoLink directory. For a small annual fee, all cargo industry participants, including Basic members can obtain added exposure and visibility by upgrading to the Premium Listing service.

To learn more about CargoLink and Premium membership, visit the website – www.iata.org/cargolink, contact your local IATA Cargo Manager or send an email to cargolink@iata.org

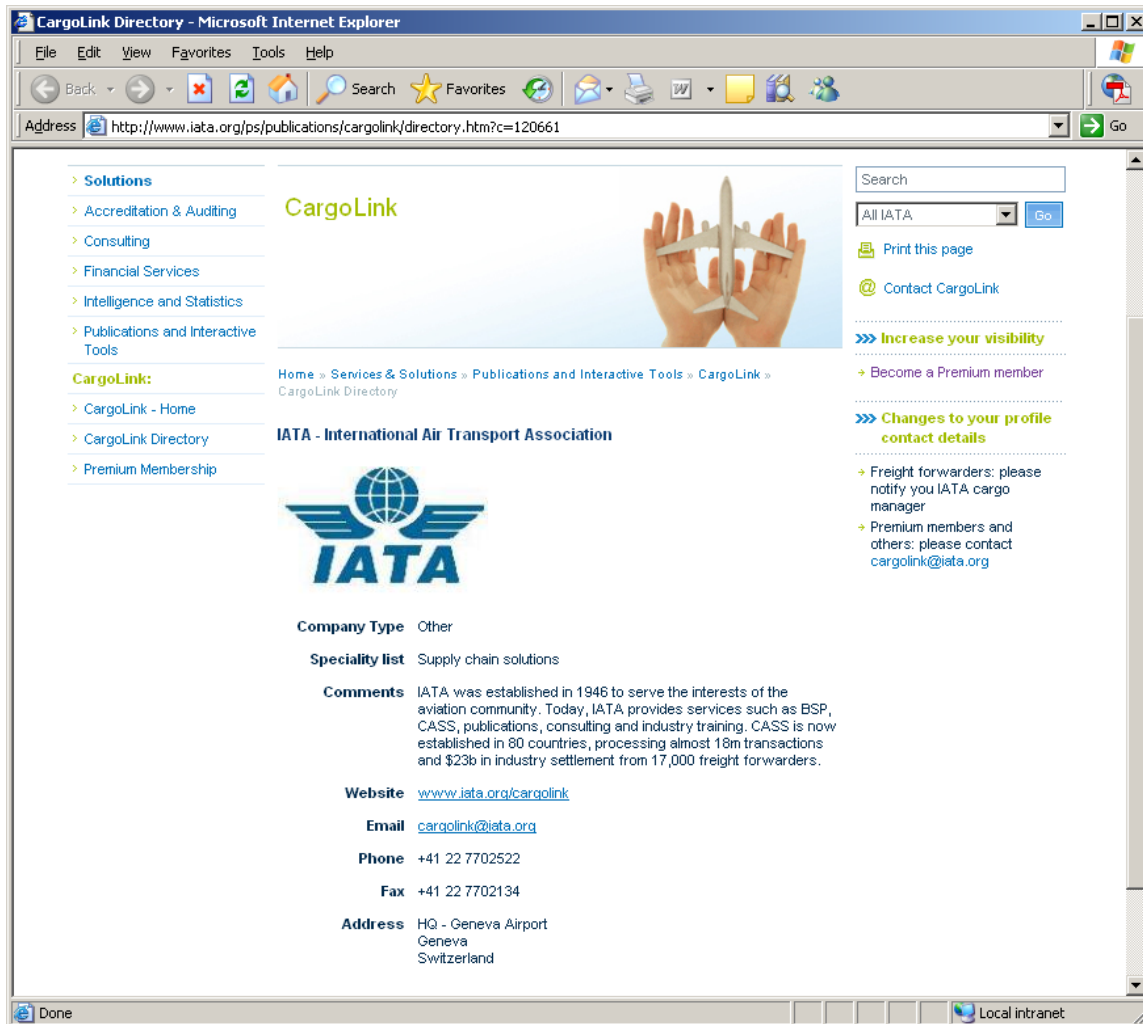

CargoLink Premium Listing includes:

- Name
- Company type
- Address
- Corporate Logo
- Able to identify Specialties, services or products
- Contact details with links to their website or other location
- Free-text field – up to max 500 characters. (Why not list more specialties, achievements, international partnerships and affiliations or business awards etc.)
- Discount for listing additional Branches or stations

What will it cost?

Basic Listing – Free to IATA Accredited Agents and Airlines

Premium Listing – US\$200 per annum

The screenshot shows the CargoLink Directory page in Microsoft Internet Explorer. The browser's address bar displays the URL: <http://www.iata.org/ps/publications/cargolink/directory.htm?c=120661>. The page content includes a search bar, a navigation menu on the left, and a main content area featuring the CargoLink logo and a list of services. The main content area also displays the IATA logo and a detailed listing for IATA - International Air Transport Association, including contact information and a description of the organization's services.
